

## Why Join a Sunday School Class?

Simply put, a Sunday school class is where groups of people “do life together”. The Bible teaches us that life is a journey that was never meant to be experienced alone.

The Sunday School ministry of First Baptist provides each class’s members with an opportunity to build strong relationships with people who share a common place in life. Classes enjoy a great time of fellowship with others as they study God’s Word together. The small group setting encourages discussion and an openness to share personal struggles and victories.

Getting involved in a Sunday School class is a great way to connect with people on a much deeper level than you could experience by simply attending a corporate worship service.

Inside this brochure, you will find a list of Sunday School classes that meet weekly at the First Baptist Church of Live Oak. We hope that you find a class where you can build relationships with other believers and be encouraged to grow in the Lord.
